Charlie,

Thanks for the resumes and for agreeing to participate. They are more than adequate for the short proposal that I am putting together. I had successfully competed for some Water Cluster funding at a pre-proposal stage and am now writing the full proposal. I hope to have the draft write-up finished by Tuesday next week and will send a copy to you at the time. We were not allowed to talk to outside potential collaborators until now, but have a very short turn around for finished them.

Shay
